A/c Name: _____ A/c No. _____

Important Information: Use of customer information. The customer has a right to know how we will use his/her/their personal information and we would ask that you ensure that they read the data disclosure declaration that has been provided to you. If the customer is unable to read the statement (eg details taken over the phone), then they must be advised prior to making the credit application that the finance house will check their record with a fraud prevention agency. If they provide false or inaccurate information and fraud is suspected, this will be recorded. The finance house and other organisations may use these records to prevent fraud and money laundering. The customer must also be informed that their application will be Credit Scored and checked at Credit reference agencies and this check will be visible to other organisations who make similar searches. By making this application for credit, you confirm that the customer has read the statement overleaf/attached or has been informed verbally of how their information will be used.

NIIB DATA PROTECTION CONSENT STATEMENT

To be read and signed by each applicant.

By signing the following statement, you agree that NIIB Finance may use the information supplied by you in the following ways,

(a) Considering your application

To help us decide whether to enter into this and any future agreement with you, we will search your record at Experian Limited and/or Equifax Europe (UK) Limited ("the Credit Reference Agencies"). A record of our search will be made and this will be available to other organisations who make similar searches. This may impact on your ability to obtain credit elsewhere within a short period of time. Information held about you by the Credit Reference Agencies may already be linked to records relating to one or more of your partners. This is called "association". For the purposes of this Agreement/Application you may be treated as financially linked to such partner and your application assessed with reference to any "associated" records. If you are a joint applicant or if you have told us of some other financial association with another person, you must be sure that you are entitled to:

- (i) disclose information about your joint applicant and anyone referred to by you, and
- (ii) authorise us to search, link or record information about you and anyone referred to by you at either one or both Credit Reference Agencies

An "association" between joint applicants and between you and any person with whom you have stated there is a financial relationship will be created at the Credit Reference Agencies. This will link your financial records. In future applications by either or both of you, each of these financial records will be taken into account and this process will continue until one of you successfully files a disassociation at the Credit Reference Agencies.

We may also use information we gain from your performance of any other agreement you have with us or any of our subsidiary or associated companies or our ultimate holding company ("Our Group"). We may also use a credit scoring system or other automated decision making system.

We may check your details with fraud prevention agencies. If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies. Law enforcement agencies may access and use this information. We and other organisations (including our Group, other lenders, credit industry fraud avoidance networks, companies and other bodies which maintain registers of assets and interests in them and any one who introduced you to us) may also access and use this information to prevent fraud and money laundering.

(b) Use and disclosure of your information

If your credit application is successful, full details of the use and disclosure of your information is contained with the terms and conditions of your agreement which you should read before signing.

Signed by each applicant
